Report of Technikwiz

Conducted by IEEE-SB-IIIT Allahabad

(22/08/2015)

Technikwiz, the annual IEEE (Institute of Electrical and Electronics Engineers) student branch quiz was organized at Indian Institute of Information Technology, Allahabad. Technikwiz was a quizzing extravaganza that puts the participants quizzing skills to the test. Organized by the IEEE-IIITA student branch the Quiz was conducted in three phases. The first two phases were conducted on 16th August and screened EIGHT teams for the final audio-visual round, which was conducted on 22nd August 2015. A total of about 150 teams and 300 student participants from IIIT-Allahabad, RGIIT-Amethi and IIIT-Lucknow registered in this mega event that proved to be a huge success. Jay Tibrewal & Sarthak Panda won the battle in a nail biting final round. The audience displayed a healthy and active participation and response as they answered questions and won some amazing goodies. The top three winners will be awarded prizes and certificates during IEEE's international conference UPCON-2015. The IEEE-SB-IIITA officials informed that the Technikwiz go national in 2016 and will be integrating institutes and colleges from all over India.
